2019 UNION CLASSIC

Club Directors and Coaches:

Welcome to the 2019 Union Classic Tournament. Thank you for joining us and we hope to see you for additional events in 2019 and for years to come! Please let us know if there is anything we can do to make the Union Classic and future events a great experience for you, your team, and your fans!

This will be your last correspondence related to the tournament; this letter and any future communication will be posted on the tournament's website, www.unionvolleyball.com. **It is important that every coach read this email in its entirety, as this was created in lieu of a coaches' meeting.**

If you did not input your roster on AES, you must submit a copy of your roster upon check-in.

GENERAL TOURNAMENT FORMAT

All Teams:

- Pool play will be Saturday with bracket play on Sunday.
- Matches will be best two of three sets, with the first two sets being to 25 points, and the deciding set—if necessary—to 15. Tiebreaking protocol is described below.
- The warm-up protocol will be 2-4-4 for all matches—i.e., 2 minutes of shared court time for warm-up on your side only; 4 minutes for serving team to hit and/or serve; 4 minutes for receiving team to hit and/or serve. To enable the playing of matches to 25 without the tournament falling behind, officials will call for the Captain's Meeting of the subsequent match immediately upon completion of the previous match, and the 10-minute warm-up will begin at that time.
- Liberos may serve.
- Every team is guaranteed five matches.
- The first matches on Saturday and Sunday will commence at 8:00 a.m.; subsequent matches will begin immediately upon completion of the previous match.
- Once bracket play begins, the loser on a given court is obligated to officiate the match immediately following unless specifically noted otherwise on the schedule. PLEASE double check AES carefully to note reffing assignments. If in doubt, check with the site director.
- Any details not noted in this handbook will be handled according to Pioneer Region Guidelines posted at pioneervb.com.

AGE SPECIFIC RULES/NOTES:

- **10U SERVING RULE**

The 10U division will have a serving line located 6'6" inside the normal serving line. Understand that there is to be no emphasis on foot faults for this age group. We are searching for a fair rule that will aid in the development of these young players. If by chance, this distance is not lenient enough for the two teams competing in the match, they can approach the official to allow more leniency on the service line. This would involve both coaches agreeing to this and would have to be done on a match by match basis.

2019 UNION CLASSIC

- **11U SERVING RULE**

The 11U division will abide by the normal serving line.

Once again if the two coaches have teams at a skill level where their players cannot be successful serving, they can approach the official about using the 10U distance or a step in rule.

- **NOTE:** If a 10U or 11U team is playing in a 12U division, they will need to abide by the rules pertaining to 12 & under.
- **NOTE:** If you think your team needs a more lenient line, please approach the official BEFORE the match and consult with the tournament/site director if needed.

TIEBREAKERS:

THERE WILL BE NO PLAYOFFS. EVEN FOR GOLD vs. SILVER COMPETITION. You DO NOT have to stay and wait for your pool to complete! You can see all finishes/seeding on AES as the pools finish.

ALL TIES WILL BE SOLVED VIA THE FOLLOWING PROTOCOL:

Teams tied for position **shall not** compete in a playoff set to determine seed. Rather, each team's position shall be determined by the priority system described below.

- o Match Percentage
- o Head-to-head (ONLY used if it is 2 team tiebreaker)
- o Set Percentage
- o Point Percentage
- o Flip a coin

All calculations are viewable on AES pools online. Please monitor scores as they are updated to be sure this information is accurate throughout the day.
