TOURNAMENT HANDBOOK

2018 UNION HEARTBREAKER

Club Directors and Coaches:

Welcome to the 2018 Union Heartbreaker Tournament. Thank you for joining us and we hope to see you for additional events in 2018 and for years to come! Please let us know if there is anything we can do to make the Union Heartbreaker and future events a great experience for you, your team, and your fans!

This will be your last correspondence related to the tournament; this letter and any future communication will be posted on the tournament's website, www.unionvolleyball.com. **It is important that every coach read this email in its entirety, as this was created in lieu of a coaches' meeting.**

If you did not input your roster on AES, you must submit a copy of your roster upon check-in.

GENERAL TOURNAMENT FORMAT

All Teams:

- Pool play will be Saturday followed by the championships.
- Matches will be best two of three sets, with the first two sets being to 25 points, and the deciding set—if necessary—to 15. Tiebreaking protocol is described below.
- The warm-up protocol will be 2-4-4 for all matches—i.e., 2 minutes of shared court time for warm-up on your side only; 4 minutes for serving team to hit and/or serve; 4 minutes for receiving team to hit and/or serve. To enable the playing of matches to 25 without the tournament falling behind, officials will call for the Captain's Meeting of the subsequent match immediately upon completion of the previous match, and the 10-minute warm-up will begin at that time.
- Libero may serve.
- There will be NO PLAYOFF GAMES for tiebreakers. Please see the tie-breaker section.
- The first matches on Saturday will commence at 8:00 a.m.; subsequent matches will begin immediately upon completion of the previous match with no delay.
- Once bracket play begins, the loser on a given court is obligated to officiate the match immediately following unless specifically noted otherwise on the schedule. PLEASE double check AES carefully to note reffing assignments. If in doubt, check with the site director.
- There will be medals for winners in bracket play divisions, please check with site director before leaving to claim your medals!
- Any details not noted in this handbook will be handled according to Pioneer Region Guidelines posted at pioneervb.com.

AGE SPECIFIC RULES:

- **10U SERVING RULE**

The 10U division will have a serving line located 6'6" inside the normal serving line. Understand that there is to be no emphasis on foot faults for this age group. We are searching for a fair rule that will aid in the development of these young players.

If by chance, this distance is not lenient enough for the two teams competing in the match, they can approach the official to allow more leniency on the service line. This would involve both coaches agreeing to this and would have to be done on a match by match basis.

- **11U SERVING RULE**

The 11U division will abide by the normal serving line.

Once again if the two coaches have teams at a skill level where their players cannot be successful serving, they can approach the official about using the 10U distance or a step in rule.

- **NOTE:** If a 10U or 11U team is playing in a 12U division, they will need to abide by the rules pertaining to 12 & under.

TIEBREAKERS:

Teams tied for position **shall not** compete in a playoff set to determine seed. Rather, each team's position shall be determined by the priority system described below.

- o Match Percentage
- o Head-to-head (ONLY used if it is 2 team tiebreaker)
- o Set Percentage
- o Point Percentage
- o Flip a coin

All calculations are viewable on AES pools online. Please monitor scores as they are updated to be sure this information is accurate throughout the day.
